Office Location: Rm 602, Building No. 16

Education/Employment

- 2018.01~Now, Tianjin University, Professor,.
- 2002.08~2017.12, Hohai University, Professor,.
- 2000.11~2002.07, University of Nebraska-Lincoln, Postdoc,.
- 1998.12~2000.11, The Chinese University of Hong Kong, Postdoc,.
- 1995.08~1999.11, Hohai University, Ph.D.,.
- 1990.03~1998.12, Hohai University, Assistant Professor and Associate Professor,.
- 1987.08~1990.03, Hohai University, M.S.,.
- 1984.08~1987.08, Wuhan University, Teaching Assistant,.
- 1980.08~1984.08, Hohai University, B.S.,.

Research

Hydrology; Numerical simulation of groundwater; Surface and groundwater interaction

Research Projects

- (1) 2016.01~2019.12, The transmissive critical zone under land use and environmental pressures: understanding the karst hydrology-biogeochemical coupling for sustainable management., PI, International cooperation and exchange of the NSFC,.
- (2) 2012.01~2016.12, Theory and methods for engineering hydrology under influences of climate change and anthropogenic activities., PI, The major program of the NSFC,.

Teaching

Groundwater hydrology

Advanced numerical simulation of groundwater
